

ColourServe Quality & Environmental Policy

ColourServe Ltd provides quality service, support and certification services to specific industries that need to be able to manage and control colour throughout the UK and overseas as may be required. The Company has continually developed its expertise since its establishment and its aim is to achieve an excellent standard of service to its customers and partners in an environmentally sound and responsible manner.

It is the policy of ColourServe Ltd to provide its customers and partners with goods and services to the agreed requirement in accordance with the details and price.

It is the policy of ColourServe Ltd to always be aware of the environmental impact and mandatory environmental requirements allied to its operations in providing its partners with goods and services as may be required.

The Directors, Management and Staff are responsible for Quality Control through the Quality Management System seeking improvement by constant review, with suppliers and sub-contractors being encouraged to co-operate. The Company is committed to achieving customer satisfaction by the use of quality procedures which will be operated to meet or exceed the requirements of ISO 9001: 2015
